

TransCanada Launches Open Season for Marketlink

CALGARY, Alberta – **April 13, 2018** – Media Advisory – TransCanada Corporation (TSX:TRP) (NYSE:TRP) (TransCanada) today launched an Open Season to solicit commitments from interested parties for new, short-term transportation service agreements of crude oil on Marketlink from Cushing, Oklahoma to markets in the U.S. Gulf Coast.

The Open Season will commence on April 13, 2018 and will close at 12 p.m. MT on May 7, 2018.

Parties interested in participating in this Open Season must execute a Confidentiality Agreement with Marketlink, LLC or its affiliates prior to receiving the Open Season materials.

Additional information regarding the Open Season is available by contacting:

With more than 65 years' experience, TransCanada is a leader in the [responsible development](#) and reliable operation of North American energy infrastructure including natural gas and liquids pipelines, power generation and gas storage facilities. TransCanada operates one of the largest natural gas transmission networks that extends more than 91,900 kilometres (57,100 miles), tapping into virtually all major gas supply basins in North America. TransCanada is a leading provider of gas storage and related services with 653 billion cubic feet of storage capacity. A large independent power producer, TransCanada currently owns or has interests in approximately 6,100 megawatts of power generation in Canada and the United States. TransCanada is also the developer and operator of one of North America's leading liquids pipeline systems that extends approximately 4,900 kilometres (3,000 miles), connecting growing continental oil supplies to key markets and refineries. TransCanada's common shares trade on the Toronto and New York stock exchanges under the symbol TRP. Visit TransCanada.com to learn more, or [connect with us on social media](#) and [3BL Media](#).
