

TC Energy in Alberta.

With more than 65 years' experience, TC Energy is a leader in the responsible development and reliable operation of North American energy infrastructure including natural gas and liquids pipelines, power generation and gas storage facilities. TC Energy operates one of the largest natural gas transmission networks that extends more than 92,600 kilometres (57,500 miles), connecting major gas supply basins to markets across North America. TC Energy is a leading provider of gas storage and related services with 653 billion cubic feet of storage capacity. A large independent power producer, TC Energy currently owns or has interests in more than 6,600 megawatts of power generation in Canada and the United States. TC Energy is also the developer and operator of one of North America's leading liquids pipeline systems that extends approximately 4,900 kilometres (3,000 miles), connecting growing continental oil supplies to key markets and refineries. TC Energy's common shares trade on the Toronto and New York stock exchanges under the symbol TRP. Visit TCEnergy.com to learn more, or connect with us on social media.

This information is TC Energy's best assessment of our impact in the communities in which we operate. These results are not meant to be representative and are not intended to be additive.

Natural Gas Pipeline Infrastructure

NGTL, Foothills

Length of Pipeline (km)	25,339
Meter Stations	1,296
Compressor Stations	73

Liquids Pipeline Infrastructure

Keystone, Grand Rapids, Northern Courier

Length of Pipeline (km)	645
Pump Stations	8

Power Generation

Bear Creek, Carseland, Mackay River, Redwater

Total Nominal Generating Capacity	446 MW
Natural Gas Storage Capacity	118 Bcf

Economic Impact (2017)

Property Taxes Paid	\$120 million
Provincial Taxes	\$21.72 million
Community Investment	\$2.14 million
Number of Employees ¹	3,784
Salaries	\$601 million
Number of Landowners ²	7,035

(1) Includes full-time and part-time employees

(2) Landowners are private or public individuals/organizations who may have multiple land titles
